**Any thoughts on the following?** *What is stem cell research? Human embryo stem cells? Adult stem cells? Human/animal embryos? Human cloning? "Saviour siblings"? The present Prime Minister and his Cabinet's history on abortion issues? What is Emily's List?* Very soon we shall be hearing about the Queen's Speech (October) and it is widely accepted that The Human Tissue and Embryos (Draft) Bill will be presented to Parliament. What do you know about it? Would you like to know more? Maybe [www.corethics.org](http://www.corethics.org); or [www.famyouth.org.uk](http://www.famyouth.org.uk) might give you further information. [www.righttolife.org.uk](http://www.righttolife.org.uk) might also be very informative.

**Diocesan Living Ministry Course** is for all adults interested in exploring their faith. Further details from Janet Hornsby on 01332 293833 Ext. 820.

**Winter is coming** ... our churches will need heat – won't they? Anybody willing to be our heat overseer for Bakewell and Hassop (2 people)? Also, for Bakewell we need a sacristan – preferably somebody living in the town & near to the church. At times the steps to the church are very unsightly and the sacristan would help to keep them clean.

**A Bit of Local History** is found in the new book *Aspects of the Dales' Life through Peace and War* by Keith Taylor. The Nottingham Cathedral choir hosts a concert next Sunday in St Barnabas' at 7-30pm followed by the launching of a new CD.

**Sick and Housebound:** In prayer we remember Teresa Fidler, David Cowan, Ron Simpson, Maureen Davis, Jacobo Medin Dopico, Mary Phillips, Anthony Culshaw, Marie Taylor, Carole Petts, May Brundette, Dominic, Catherine and Jenny.

**Anniversaries:** – We pray this week especially for Stuart Davidson, Fr. Edward Oliver CSSp., Joan Dooney and Kathleen Wright.  
**May their souls rest in peace.**
