Rachel and Ruth: World Youth Day in Australia urges young people to lead the way in being witnesses to God's love. We remember them and trust they will assert their willingness to be such witnesses to God in their daily lives.

Bishop Malcolm will visit our parish next year in May and celebrate the Sacrament of Confirmation. We should be thinking of a pastoral plan to prepare those parishioners who will receive the Sacrament including, perhaps, some adults who may wish to be fully received into the Church. In September we begin our preparations.

Ann Widdecombe, Jim Dobbin and David Alton have again written from the **House of Commons** and invite people to support their continuing efforts to draw attention to the discussions on the Human Embryology Bill. The **Report Stage** will be debated in July. Cards are available in both churches for those who would like to go further on the question. Please feel free to take the initiative suggested in the literature available.

Petition – continuation of the provision of denominational transport: receipt of our petition has been acknowledged by the Council and will be included in the results of the consultation process later in the year.

Mission wide: copies are available at the back of church – there is a photograph of Christina Gentis on her Baptism day with Fr Hugh.

Sick and Housebound: In prayer we remember Teresa Fidler, Ron Simpson, Maureen Davis, Anthony Culshaw, Carole Petts, Patricia Turner, Christina Gentis, Stella Clegg and Rita Mann along with all our sick.

Anniversaries: – We pray this week especially for David Overton, Thomas Carroll and the recently deceased Jacobo Medin Dopico and Sr. Colette Delaney CSJP

May their souls rest in peace
