*'Ultimately Choosing the Common Good is about human flourishing. It does not offer a direction on how to vote, but forms a backcloth to the more particular issues which may well dominate the election itself and offers an invitation to the political parties on how best to respond in all of our joint efforts to build a better society. [Archbishop Vincent Nichols on Choosing the Common Good]'*

**Twentysomethings** for younger Catholics have a number of activities planned ... don't think that nobody is thinking about such things! There is a web site for more info. And don't forget the *World Youth Day* is already being planned and takes place in August 2011.

Once more, our grateful thanks to the members and supporters of the **100 Club** and to Mary Pickard who looks after it for us.
