"We are now in the heart of summer, at least in the northern hemisphere. This is the period in which schools are closed and the greater part of the holidays are concentrated. Even the pastoral activities in parishes are reduced. It is therefore a favourable time to give priority to what is effectively most important in life, that is to say, listening to the word of the Lord in attentive stillness. At this time when many of you are on holiday, I pray that you and your loved ones may be truly refreshed in body and spirit, so that you may return with renewed vigour to the responsibilities of your daily lives. May God bless you all!"

*Pope Benedict XVI 18 July 2010*
