You will see that the path to the church (in Hassop) and to the downstairs kitchen have been improved. Whilst the gravel looked nice, it was quite difficult to push wheel-chairs in it. Let's hope this is an improvement. We still have the office and the handrail at the front door to do. Bakewell church needs some tidying up in its frontage.

Next Weekend The Bishops' Conference asks us to reflect on the annual 'Day for Life' and asks that a collection be taken in every parish for this purpose. Hence, we have a retiring collection at both Masses next weekend. The proceeds of this collection go to help the *Anscombe Bioethics Centre* and other life-related activities supported by the Church. Gift Aid envelopes are available for this.

In Touch our parish magazine is available this weekend and it costs only 60p! It gives us a little flavour of parish life and invites parishioners and friends of the parish to 'taste and see' how fortunate we are to live in Hassop & Bakewell. Our grateful thanks to the contributors for their support and service to the parish through *In Touch*.

The St Vincent de Paul Society will hold its meetings on Wednesday 10th and 17th August after Mass. New members are always welcome. If you have a bit of time on your hands, you'd be most welcome at the 9.30 Mass and the SVP meeting

Parish 100 Club Winners were D. Jewitt, T. Pathe, A & J Byrne and P. Marsh. Thank you for supporting the **Parish 100 Club** and thanks to Mary Pickard for her work behind the scenes.

A really "elderly" nun speaks to us – her name is Sister Teresita, she's 103 years old and has spent 84 years in her cloistered convent in Spain. She will meet the Pope in Madrid next month ... and her "secret"? She cooks Spanish omelettes *every day* and the most important thing in her life is prayer.

Some UK Department of Health Statistics were recently revealed after a 6 year and 3 month legal battle by the Pro-Life Alliance. The figures confirmed that 26 babies were aborted in the last 9 years *after* the 24 week statutory limit had passed because they were babies with cleft palates or lips. (Catholic Herald 8th July 2011)

Joanna Jepson who was herself disfigured from birth says that the disclosure of 26 terminations for cleft lip and palate suggests the Abortion Act is being abused. (Sunday Telegraph 10th July 2011 page 20) Maybe there is something behind our *Day for Life* next weekend after all.

The Briars Youth & Retreat Centre is looking for a programme leader. Those of us who have visited **The Briars** will know how important it is in the life of Nottingham Diocese. Further information on notice boards.

MISSIONWIDE, the magazine of the Holy Ghost Fathers, is available in both churches and its editor Fr Vincent Griffin is looking for new subscribers and waiting for you!

Ala-Anon & Alateen exist to help people who suffer in some way from the abuse of alcohol. Their information and contact numbers are available if anybody would like to have them. Details on notice boards.

Raising Awareness of Dementia will be discussed at a seminar on 15th October in Holy Trinity Church Newark. The diocesan **Family & Life Commission** is sponsoring the occasion and it would be good if a few parishioners could attend representing the parish.

The Diocesan Justice & Peace calendar is on the notice boards giving events up to next November.

Sick and Housebound: We remember Mary Lee, Carole Petts, Patricia Turner, Christina Gentis, Stella Clegg, Joe Burns, Cliff Mann, Michael & Shirley Plant, Chris Holmes and Dr Tolu Taylor who is very ill.

Anniversaries: – We pray this week especially for John Pickard and Ida Thorpe. **May their souls rest in peace**
