I would like to wish you all, along with your families & visitors, a very blessed Easter celebration. Holy Week did not quite go according to plan! The group of parishioners, who were to attend the Chrism Mass, did not get there because of the sudden change in the weather, and arrangements had to be cancelled at the last minute. Solomon was very bravely waiting for his lift in the cold and the snow. We have been told that our lunch "fund" will be kept for us until next year ... when we won't have pay anything! However, Holy Week has been good in other ways and I am very grateful to all who helped in any way for the Liturgies of the Triduum especially as we did not have Deacon John with us for this Holy Week. Our numbers on Holy Thursday for the Mass of the Lord's Supper were not good and our numbers on Good Friday morning in Bakewell were not good either but to all who participated and who put preparation into the celebrations, I offer very sincere thanks. A lot has to be done making the transition from Lent unto Eastertide especially for the music.

So, once again all my thanks for your help, Fr Hugh

Very Sadly some wilful damage was done to two pillars outside Hassop church during Holy Week, possibly on Good Friday. This is unacceptable behaviour and it should not be tolerated in any circumstances. If you know who did this, they should come and apologise for what they have done and the inconvenience they have caused parishioners (during Holy Week) who then had to clean up the pillars.

Volunteer Drivers are being sought by *Bakewell & Eyam Community Transport*. Those who went to the theatre show a few weeks back went in their mini-bus. Now it's pay-back time and a volunteer or two from our parish would be a very helpful arrangement to have! Training will be given and further information from Andrew McCloy on 01629 641 926 or by email using andrew.mccloy@bect.org.uk

The jars will be counted this week and any last minute donations can be put in the boxes provided for this.
