I think in particular, here in Europe, of the drama of those who suffer the consequences of the violence in Ukraine, of those who remain in lands devastated by hostilities that have already claimed thousands of lives, and of all those, over a million, who have been displaced as a result of the grave ongoing situation there. The affected are primarily the elderly and children. I wish to promote humanitarian aid for them. A special collection for this cause will be held in all the Catholic churches throughout Europe on Sunday 24th April. I invite the faithful to participate in this initiative by contributing generously.

Pope Francis 3rd April 2016
