This weekend we welcome Chris McClare who will make an appeal for the *Volunteer Missionary Movement* and its missionary work overseas. As we know already, each year we are asked to support a missionary appeal in our parishes and chapels. In the past we've had the Medical Mission Sisters, the Kiltegan, Columban, White Frs and SMA Fathers. This is the first time we have a representative of the *VMMs* with us in the parish. There will be a second collection after Holy Communion to support the appeal. Over many years, the Holy Ghost Fathers have obtained great support through the appeal system and even vocations.

A word of thanks from Michael & Mary Howlings and family to the choir, Social Committee and parish community who gathered with them last Sunday after Mass to celebrate their Diamond Wedding Anniversary. We all enjoyed it too!

And a second word of thanks from our Retford visitors last Tuesday who joined the SVP members and parishioners for the morning Mass. We had more than 60 people present at that Mass and Fr John accompanied his parishioners.

The closing days of July

26-28th CSSp provincial assembly

31st Last Sunday of month - Mass for our young parishioners – last one until September. Please encourage the young parishioners to attend especially those who recently made their First Holy Communion.

Microphone System: Many people have said that we need a proper microphone system for Hassop church. Some churches have spent substantial sums of money trying to get the "perfect" system but, like any system, it can only work and benefit people if it is used properly. Some people are saying, "I don't like a microphone..." and some are saying, "We can't hear the readings, homilies or prayers at the back of the church..." We are now seeking good advice about a sound system and it will be necessary for us all to learn how to use it ... if and when it descends upon us!

World Youth Day begins at the end of July and finishes in early August. It takes place in Krakow and Rachel and her friends along with Pope Francis will be in attendance! Nottingham Diocese will be represented at the WYD gathering.

Parish 100 Club winners last week were B Dillon, M Watkiss and T Clarke. One new member joined the Club at our refreshment gathering in the parish rooms. We now have 88 members but we still need 12 more members from the parish community to reach that magical number of 100. Some parishes have a waiting list for their parish clubs.

Respect indigenous cultures, traditions, Pope Francis.

Further to Bishop Patrick's Pastoral Letter last April concerning Modern Day Slavery, the first of the Training Events has now been organised. It will be on Wednesday 28th September 6.00 – 8.30pm at Spalding. It would be good if we could get a representative to go ... even though it is far!

Two parishioners have kindly agreed to attend the weekend training course to become Eucharistic Ministers. Becoming a E M includes a DBS check along with a spiritual formation. The E M may carry the Blessed Sacrament to the sick and housebound and is responsible for creating an atmosphere conducive to prayer and respect. Respect for the Eucharist is something that regularly needs our attention as people who approach and receive the Sacrament. One may receive the Host on the hand or on the tongue: the choice is a personal one. However, the respect needed for the Eucharist is both personal and community. Occasionally, there are moments of concern when a communicant does not show these gestures of respect when receiving the Sacred Host.

This Sunday afternoon our next Songs of Praise takes place at 3 pm in the amphitheatre at Carsington Water b.

Sick and Housebound: Patricia Turner, Cliff Mann, Shirley Plant, Mary McNulty and Eileen Simpson. We also remember those in hospital, those going into hospital and the many not mentioned here.

Anniversaries: – We pray this week especially for John Pickard and Ida Thorpe. **May their souls rest in peace.**
