Statement in response to the killing of Fr Jacques Hamel in Rouen, France

We are deeply saddened to learn of the brutal murder of our brother, 84-year old priest, Fr Jacques Hamel in Saint-Etienne-du-Rouvray, Rouen, France. That a man of peace who had dedicated his life to serving people could be killed during Mass is testimony to the evil that drives the actions of those who commit such a crime. We offer our deepest sympathy to his family, friends and parishioners. We pray for the wellbeing of those who were taken hostage, their families and the entire community served by Fr Jacques; indeed we pray for the peace of France, Europe, the Middle East and the world for which Jesus, the Prince of Peace, gave his own life.

We call upon all people of goodwill to pray and work for justice and peace. In particular, we implore everyone to help people everywhere to pursue the path of peace and human flourishing – which is the will of Creator God.

The Presidents of Churches Together in England (27 July 2016)

This Sunday the last Sunday of July – 10.00am Mass with our young people in mind ... It has been difficult to arrange it this time!

Next Sunday 1st Sunday of August – Mass times above

The Bakewell Refugee Advocacy group would like to draw your attention to three documentary films that were shown in the week beginning July 11th on BB2. Together they track the journeys to Europe of a number of individuals and families from Syria and Afghanistan. These remarkable films can be disturbing to watch but they give an excellent picture of the refugee experience. We suggest that they are essential viewing for anyone concerned about the refugee crisis. The films are entitled **Exodus: Our Journey to Europe**. They can now be accessed on your TV via IPlayer, or on-line through Google at bbc.co.uk/exodus. Each film lasts an hour.

The Association of Bakewell Christians (ABC) would like to draw your attention to the new display on their designated site. This is just inside the car-park entrance to the Co-op, opposite the photo booth. The display is entitled **Build Bridges not Walls**. Church members are urged to visit this display and to draw it to the attention of friends and family.

In the month of June parishioners and parish friends supported the parish financially with the sum of £1,684.00 received through their bank arrangements. Thank you for taking the trouble to arrange this support – a support this way still comes when people are away on holiday or absent for long periods. The gesture of support and participation are still important for us even when we do not contribute directly to the Offertory Collection. So, please, do accept the baskets and pass them on to the next person. This does show a good example to the children and our young people. Thank you.

A recent EWTN programme interviewed the S V P in the United States. The spokesperson for the S V P told the programme that there are 45,000,000 people caught in the poverty trap in the richest country in the world. How very sad that our world still has structures that perpetuate poverty – systemic and generational poverty were mentioned.

Sick and Housebound: Patricia Turner, Cliff Mann, Shirley Plant, Mary McNulty and Eileen Simpson. We also remember those in hospital, those going into hospital and the many not mentioned here.

Anniversaries: – We pray especially this week for Fr Thomas Finan CSSp and all others known to us.

May their souls rest in peace
