

Online Booking System for attendance at Mass

1. All churches in the Diocese of Nottingham are listed on this website www.massbooking.uk and shown on a map, indicating whether they are open or not.
2. The booking website shows the Mass times available in All Saints, Hassop for the next 7 days. Church capacity will be set for 25 people. Masses will be held on Sundays and Wednesdays at 10am but may be subject to change. Please check the booking website.
3. People wishing to attend Mass can book places at one of the listed Masses. Booking opens 7 days prior to each Mass and closes at 6pm the night before. Upon booking, a confirmation page is generated, and a confirmation email sent. Each user can view the Mass bookings they have made.
4. We have the option to allow bookings for an individual seat or by pew that can be for either individuals, couples, families or 'bubbles' (two households who have joined together). Under 16s must be accompanied by an adult. Up to 5 members from one household or bubble can sit together on the same pew. Larger households or bubbles will have to be split over 2 pews.
5. The system will not allow places to be booked if the capacity is exceeded.
6. Bookings can be cancelled, and those places made available again for others.
7. Minimum contact details for people making Mass bookings will be captured and retained for the 21 days required for contact tracing.

Telephone Bookings

For the system to be efficient it is desirable if everyone can make their own bookings on-line. However, we want to make sure that everyone has the opportunity to attend Mass if they wish, so for those without internet access or need help using the on-line booking system please call the parish office on 01629 640 241 or email office.allsaints@btconnect.com and a place can be booked for you.
